

Second Grade News

Teacher: Mrs. Mitchell

Date: April 27, 2018

Dear Families,

It's been another great couple of weeks with my amazing 2nd graders! We will continue going out for Mileage Club next week, so please send your child to school with their walking shoes!

I emailed your child's progress reports today. Please let me know if you having any questions regarding your child's report.

Friday Folders will be coming home today, and of course, will be filled with more work. Please be sure to look through those papers and empty them before sending them back to school with your child (preferably by Wednesday).

Have a wonderful weekend!

Nicole Mitchell

SCIENCE/SOCIAL STUDIES

Science: Students have been working on Chapter 3: Earth's Materials over the past couple weeks. They will take the Chapter 3 Test next week. Then they will have completed their science textbooks! We will continue working on science concepts though.

Social Studies: Students have continued to work on map skills and learning about rights and responsibilities.

Math

We are working on graphing and data analysis in Chapter 9. This week we covered tally charts, pictographs, and bar graphs. We will be having a quiz on Monday in order for me to check students' progress on Lessons 1-3.

The IXL for next week will be **R.5 (Interpret line plots)**, if you would like for your child to get a head start over the weekend!

English Language Arts

In Reading, we started to read a passage in our Reading Street book called, "The First Tortilla". In Grammar, we focused on distinguishing adjectives and adverbs. In Writing, we are working on including more adjectives and adverbs in our sentences in order for our writing to be more "colorful".

The IXL for next week will be **S.3 (Identify the adjective that describes the noun)**, if you would like for your child to get a head start over the weekend!

OUR NEXT READING STREET TEST WILL BE ON FRIDAY, MAY 4!

Arabic Language Arts

We covered the following material during the past two weeks:

- We finished lesson 9 and we started Lesson 10 (The Time). We read, wrote, explained the meaning of the lesson, and learned new vocabulary words:
- الوقت - أقوم - الساعة - تذهيبين - تصلين - الحافلة - السيارة - المكتبة - المدينة
- The students learned vocabulary words about the time in Arabic. They also learned how to write the following letters according to their location in the word:
- ت - ن
- We also learned how to use these letters in words.

Please practice reading this lesson with your son/daughter.

If you have any questions or concerns email me at alqadi@school.lansingislam.com

Regards,
Feryal Alqadi

ISLAMIC STUDIES

Assalamu Alaykum,

During the past couple of weeks, we discussed the topic of anger and discussed different ways to avoid getting angry. For example, making wudu, taking a deep breath, counting to 20, talking to an adult, etc. We also covered the story of Zaid Ibn Harith, and we are learning the Islamic Calendar, and the dua'a of dressing.

If you have any Questions or concerns, please feel free to contact me at:

Wa Jazakum Allah Khair,
Sister Warda

QURAN

Assalamu Alaykum,

We finished souraht AL-Taqweer over the last two weeks. Students are doing well and are memorizing the sourah very well. Please let them practice and read at home every day.
