

Second Grade News

Teacher: Mrs. Torrey
Date: December 22, 2017

Dear Families,

We had a great time at our field trip to the museum. The kids loved seeing all the animals in their habitats and really liked the dinosaurs.

Please make sure your child is dressed to go outside. If there is snow, they need to have snow pants and boots to be able to go outside. Some kids are still not wearing gloves.

Our class is in need of pencils and pencil top erasers. If anyone would like to donate these after the break it would be appreciated. Thank you.

If you ever have any questions, feel free to send me an e-mail anytime. My e-mail address is torrey@school.lansingislam.com

Have a wonderful break!

Math

We finished our chapter on place value and took a test over it. We will start three digit addition after winter break. Your child can still work on any IXL they would like over the break. I am not assigning any but they can do any that they want in 2nd grade.

Writing/Reading

We have been working with verbs and comparing words. We read a biography about George Washington Carver and learned about his life. We will be writing compare and contrast paragraphs after the break.

Science

We learned about the 5 groups of vertebrates. We talked about fish, amphibians, reptiles, birds, and mammals. We also watched brain pop videos about the different groups. We also learned about insects.

Social Studies

We have been working on more map skills and how to read a map key. Some kids are still struggling with understanding the difference between cities and states and also oceans and continents.

Arabic Language Arts

Dear parents,
Assalmu Aiykum,

We finished lesson 6, the students had a test on this lesson. We started lesson 7 (What are doing) reading, writing, explaining the meaning of the lesson, solving all book exercises and learning new vocabulary words:

تقرا - قصة - يغتسل - يأكل - يصلي - يكتب - يرتب - الفراش

We also learned some grammar rules (Question tools)

Islamic Studies

Due to the snow days and Multi Cultural Fair, we only covered a limited amount of material originally outlined for the week. The majority of our lessons were dedicated towards reviewing .
