

Second Grade News

Teacher: Mrs. Torrey
Date: December 8, 2017

Dear Families,

The temperatures outside are getting cold and your child should dress appropriately to go outside. I have noticed many students without a hat or gloves. Please make sure your child has a hat and gloves/mittens. They also need a winter weight coat and not a spring coat. Once it starts to snow, they will need snow boots and pants.

We are having our first field trip on Thursday, December 14th. I have had many parents fill out the form saying they would like to chaperone. Please email me back and let me know if you are still willing to. Chaperones will need to drive themselves because we don't have enough space on the bus. Chaperones may be with kindergarten or 1st grade due to their class sizes and we have only 13 students. Thanks.

If you ever have any questions, feel free to send me an e-mail anytime. My e-mail address is torrey@school.lansingislam.com
Have a wonderful weekend!

Math

We started our place value chapter and learned about hundreds, tens, and ones. We also learned how to put a number in expanded form. Again, please make sure your child is doing his/her IXL each week. It is posted on the website along with on their assignment sheet.

Writing/Reading

We worked with compound words this week. We also talked about verbs in the past, present, and future tense. We have been reading a folk tale too. We will continue with paragraph writing for a while as many students still need practice.

Science

We started life science and talked about plants. We learned what the roots, stem, and leaves do for the plant. We also learned about seeds and watched a magic school bus video on it.

Social Studies

We have been working on map skills and we worked on a map of Nebraska. We also talked about the Pilgrims and watched a short video.

Islamic Studies

During this week we have been reviewing the proper way to perform wudu and the steps of salah correctly .The students can write requirements for all of the following. However, many of the students rush through these actions and make a lot of mistakes when they have to demonstrate. I would greatly appreciate it if you can take the time to review how to perform wudu and salah. Please make sure they go through each action step by step and do not rush through each action.

We also continued the seerah of the prophet Mohammad Sallah Allahu Alayhi Wa Salam.

In addition we discussed the meaning of surat Al-maun.

Please feel free to contact me if you have any questions or

concerns at:warda@school.lansingislam.com
