

Second Grade News

Teacher: Mrs. Torrey
Date: November 10, 2017

Dear Families,

The temperatures outside are getting cold and your child should dress appropriately to go outside. I have noticed many students without a hat or gloves. Please make sure your child has a hat and gloves/mittens. They also need a winter weight coat and not just a sweatshirt. Once it starts to snow, they will need snow boots and pants.

If you need to check what homework your child has, you can use the homework page through the school website. I put the IXL, spelling words, and any homework they have up there. It is used for 1st-8th grade students. The school website is

<http://k8.school.lansingislam.com/> and the homework page is on the left hand side. Just click the word homework and then 2nd grade. Here is the link to the google docs page for the homework:

Have a wonderful weekend!

Math

We have been working on subtraction with regrouping. Please work on this with your child at home. Many kids are struggling with this concept. They should be bringing home their base ten blocks when they have homework. We will continue this concept next week.

Writing/Reading

This week we learned about possessive nouns. This concept is new and a little confusing for 2nd graders. It will take practice to understand. We have been working on comprehension too. Your child should be reading 15 minutes every night at home. I had 3 students read every single day in the month of October!

Science

We are finishing up our first chapter on physical science. We started to review and will review more next week. We will have our first test the following week.

Social Studies

We have been working on map skills and we worked on a Classroom map. We are still working on using our directions on a map. We also worked on what is to the right of something and to the left.

Quran

In Quran class, second graders learned Surat Al-boroog البروج from Ayah 1 to Ayah 10 with Ahkam Al-Tajweed. houseofquran.com is a great tool to help them memorize their assigned Surah. Please return the Quran folder signed every Monday. We also reviewed surat (الفجر). Thank's for all the parents who attended the parent teacher conference, it's a pleasure to see you all.

Thank you,

Noha
