Math

Everdayday Folders

Your student has a GREEN Everyday Folder. Inside every night will be any homework they have (anything they didn't finish in class). Students will also have a post it with their Math IXL on it for the week.

Language Arts

Students have been working hard on Unit 5 over the past two weeks. Students have been reading about different cultures. They have learned that even though cultures may be different, they also have similarities as well.

Students receive a copy of the spelling words/challenge words as well as the vocabulary words on Monday on the information sheet.

Science

Students have continued with their Life Science Unit. We have started Chapter 3: Plants. Students learned how plants are classified, as well as how they make their own food through Photosynthesis!

Students have been working on Chapter 10: Fractions. We will be finishing the lessons next week. Inshaallah, students will take the **Chapter 10 Test on Monday, April 23rd.**

Multiplication quizzes will take place every Wednesday. Students are moving at their own pace. *****Please remind your child to practice their multiplication for 5 minutes every night. It will help them a lot!*****

Math & Language Arts IXL

Students are assigned IXL homework every week for both math and language arts. They have an information sheet given to them on Monday of each week with these written on it that are due the following Monday.

Social Studies

The past two weeks, students have continued practicing their map skills with population maps, product maps, and other various maps.☺

Arabic & Quran:

Dear Parents,
Assalam Alykum

We covered the following material during the past two weeks. We finished lesson 8 (How do you make desert) reading, and solving workbook exercises, learning new vocabulary words about adjectives and we learned about pronouns that are suffixed to the end of nouns to express the meaning of possessive relationship like: هذا كتابي – هذا كتابك

هذا كتابها – هذا كتابه – هذا كتابك

Quran Class: We practiced Surah Al Mudathir verses 1-31 (Memorizing with Tajweed). Please practice reading these verses with your child by using www.houseofquan.com and be sure they will be ready for the weekly test every Wednesday.

If you have any questions or concerns email me at alqadi@school.lansingislam.com.

May Allah bless all of you,
Sister Feryal
