Dear Families: Assalamu-alaikum,

During the past couple of weeks, we continued in unit A our studies about the important hadeeth in which angel Jibreel came to teach the companions about the religion. We discussed the Hour, the minor & the major signs. The students took the first quiz in this quarter today.

As for Arabic Class, we continued our activities in the new unit, discussed some grammar rules and practiced them with some examples, worked on the personal dictionaries, introduced the new vocabs to look for as well as searching for their meaning in the regular dictionary.

Thank you to all the parents for coming to the parent teacher conferences. It is your involvement & support that lets your child know how important education is.

Have a nice weekend! And if you have any questions or concerns please don't hesitate to contact me at khatib@school.lansingislam.com
