Mrs. Mitchell
Grade 6
March 16, 2018

English Language Arts (ELA)

This week we read a selection in our Reading Street anthology called "The River That Went to the Sky: A Story from Malawi". We reviewed the following skills:

Comprehension:

- Cause and Effect
- Graphic Organizers
- Sequence

Writing Trait: Voice

Conventions: Demonstrative Adjectives

Writing: Persuasive Writing, Figurative Language Review, Reading Responses with Text Support

Thank you for your continued support,

Nicole Mitchell

Math

Sixth grade math students have been studying equations. Addition and subtraction of equations has been covered with multiplication and division of equations still to go.

Thank you,
Tariq Sumbal

Science / Science

This week in Science, students are in the midst of their unit on water. Topics that we have studied include the water cycle, underground water and surface water. Oceans, wave action and ocean currents will be future topics that we will study.

This week in Social Studies, students have started their unit on Africa. We are starting with east and central Africa. Culture, language, history and religion will be examined.

Calendar

Islamic Studies, Qur'an & Arabic

Dear Families: Assalamu-alaikum,

During the past couple of weeks we continued our studies in the seerah chapter about the main incidents that happened in the 6th year of Hijrah. We learned in details about the treaty of Ridwan and Hudaibiyah, and learned about Ummu-Salama & Ja'far (may Allah be pleased with each). The students took the exam as well.

As for Upper Arabic Class, during the first week we worked on finishing the verbal and written evaluations & tests for the unit as well as the workbook, and spent the second week finishing the exam and other work related before moving on to the next unit.

In order for this class to be effective, please remind your child to follow instructions, turn in assignments on time, and **practice daily for at least 30 minutes**.

If you have any questions or concerns please don't hesitate to contact me at khatib@school.lansingislam.com or call me at school (517) 332-3700

Sincerely,
Sr. Raghda

Arabic Language Arts

Dear Parents: Assalmu Alykum

We covered the following material during this past two weeks:

Book3:

- Worked on lesson 8 (How do you make dessert?) read, wrote, learned the meaning of the lesson, solved work book exercises, and learned new vocabulary words:
تعجن - تخلط - تصنع - احضرت - تحضر - ماهرة -
- Learned new vocabulary words about adjectives and we learned about pronouns that are suffixed to the end of nouns to express the meaning of possessive relationship like:
هذا كتابي - هذا كتابها - هذا كتابه - هذا كتابك

Book1

- Worked on lesson 7 (I Hear and see), read, explained the meaning of the lesson, answered oral and written questions about dialogue, and learned new vocabulary words
- Learned how to write the following letter according to its location in each word
(حزين - يضحك - صالح) ح

If you have any questions or concerns please email me at alqadi@school.lansingislam.com.

Regards,
Feryal Al-qadi

Arabic Study

During the past two weeks, we had a vocabulary quiz and a spelling test, solved the workbook exercises, learned and applied the rules of the question tools' usage. We wrapped up the end of third marking period exam with an oral test.

Please contact me for any concerns or questions. mahmoud@school.lansingislam.com

Respectfully,
Sawsan Mahmoud
