Islamic Studies, Qur'an & Arabic

Dear Families: Assalamu-alaikum,

During the past couple of weeks and after wrapping the unit about Qur'an, we started with the seerah unit and discussed the importance of learning it and reviewed the main incidents before & after Hijrah until the 6th year. The students took a quiz as well.

As for Upper Arabic Class, we continued with the unit our work & activities in the workbook during the first week, and wrapped up the unit with some tests & evaluations in the second week.

In order for this class to be effective, please remind your child to follow instructions, turn in assignments on time, and **practice daily for at least 30 minutes**.

If you have any questions or concerns please don't hesitate to contact me at khatib@school.lansingislam.com or call me at school (517) 332-3700

Arabic Study

During the past two weeks, we reviewed the materials we learned for lesson "The Islamic Upbringing". We also reviewed the grammatical rules for the question tools, changing the verbs from past to present and future. We also had a test, and the students were given their grades. We started the new lesson "My Mother". We read the lesson and identified the meaning of the new vocabulary words and their usage in sentences.

Please contact me for any concerns or questions.
