## Math

We have moved on to look at finding area of various shapes. Shapes such as parallelograms, triangles and trapezoids will be covered.

## Science / Science

**This week in Science,** we learned about conservation of land and soil. The various ways in which people use land as well as soil management were covered. We will next move on to waste disposal, recycling and pollution.

**This week in Social Studies,** we finished our studies of Africa and will now move on to Central Asia. Students had a chance to visit the state capitol this past Wednesday where they had a chance to learn the importance of civic engagement and meet with their local representatives.

## Islamic Studies, Qur'an & Arabic

Dear Families: Assalamu-alaikum,

During the past couple of weeks, we continued our studies in the chapter of the prayer and some students presented the prophet they researched in "The Prophets of Islam project"

May **Competition**, and their families. It reflects the dedication and sincerity. I ask Allah (swt) to bless & benefit them with the Qur'an, in this world and in the hereafter.

**As for Upper Arabic Class**, we continued in the unit; discussed and practiced concepts related, and took most of the tests related, for evaluation, to wrap up the unit.

In order for this class to be effective, please remind your child to follow instructions, turn in assignments on time, and **practice daily for at least 30 minutes**.

Allah (swt) reward all students who participated in the **Qur'an**

- The students learned new grammars rules:  
(مفعول به)

### Book1:

- We finished lesson 11 and we started Lesson 12 (I Know Days of the Week). We read, wrote, learned the meaning of the lesson, and learned new vocabulary words  
أعرف - أيام - أسبوع - أسماء - الشهور - تسافر - تعود - لون
- The students learned vocabulary words about the time in Arabic. They also learned how to write the following letters according to their location in the word:  
س - ش
- We also learned how to use these letters in words.

If you have any questions or concerns, please email me at [alqadi@school.lansingislam.com](mailto:alqadi@school.lansingislam.com).

Regards,  
Feryal Al-qadi

## Arabic Study

During the past two weeks, we had a vocabulary quiz and a spelling test, and solved the workbook exercises. We learned and applied the grammar lesson of the adverb of the place and changed the nouns with different pronouns.

We will have a test on Wednesday 5/16/2018.

Please contact me for any concerns or questions.
