Dear Families: Assalamu-alaikum,

During the past couple of weeks, we continued in unit A our studies about some angels along with their specific jobs. Then we discussed angel Jibreel in more details, talked about "al-Israa & al-Mi'raaj", other missions, and started the important hadeeth in which angel Jibreel came to teach the companions about the religion.

The students took the first quarter's exam on Wednesday.

As for Arabic Class, we started with the new unit in the first week however, we spent the second week doing the oral and written exams for the quarter.

Have a nice weekend! And if you have any questions or concerns please don't hesitate to contact me at khatib@school.lansingislam.com

We reviewed the vocabularies, the sentences, the questions of the lesson and the grammatical rules for changing the past verb with different pronouns. We also had the end of the first marking period exam.

We started the second lesson "The Manners of Visiting Others" and read the lesson, discussed it, and identified the meaning of the new vocabularies.
