Math

We started a new chapter on integers. We learned how to graph integers on a number line and also what absolute value is. We will go back to doing IXL after winter break.

Thank you,
Mrs. Torrey

Science / Science

This week in Science, students are studying about the geologic time history of our planet. We will study about the geologic time scale, periods and eras of history, as well as methods scientists use to study the past.

This week in Social Studies, students have finally come to an end on our first global destination Europe/Russia. Students have learned about the culture, history and problems facing this area. We will have a test the first week back from vacation. Then we will continue on to our next stop, Africa.

Islamic Studies, Qur'an & Arabic

Dear Families: Assalamu-alaikum,

During the first week, we wrapped up, in unit A our studies about surah Al-Jinn after we discussed the meaning, the reason for revelation, and lessons learned to practice. The last quiz given to the students was corrected and handed back to them to be signed for 2 more points of extra credit.

We spent the second week working on the students' presentations of the **Islamic multicultural fair project**. Thanks to the parents who attended the presentations for the **Islamic multicultural fair**, and thanks to all students who worked hard on their research and did great on their presentations.

As for Arabic Class, we wrapped up the unit with the usual tests and evaluations and started with the new one. Please remind your child to **practice daily for at least 30 minutes**, besides the assigned written homework.

Have a nice winter break and if you have any questions or concerns please don't hesitate to contact me at khatib@school.lansingislam.com
Or call me at school (517) 332-3700

Sincerely,
Raghda Khatib

Arabic Language Arts

Dear Parents: Assalmu Alykum

We covered the following material during this past two weeks:

- We finished lesson 4 and we started lesson 5 (What is in your room) reading, writing, explaining the meaning of the lesson, solving all book exercises and learning new vocabulary words like:

سريري - واسعة - مرتبة - ثيابي - المطالعة - غرفتي

- Student had an exam on Unit 4 Last Monday.

If you have any questions or concerns please email me at alqadi@school.lansingislam.com.

Regards,
Feryal Al-qadi

Arabic Study

We had a vocabulary quiz and a spelling test, and had daily conversations related to jobs and professions. We learned the difference between the noun sentence and verbal sentence and how to differentiate between them. We started the workbook exercises and will finish them after the winter break, insha'Allah.

The only homework I assigned during the winter break is the Book Talk project. I explained everything to students and they should be aware exactly what to do; however, if they need any help or if they have any questions, they can contact me during the break by texting me on Remind or emailing me.

Have a wonderful winter break!

If you have any questions please contact me at mahmoud@school.lansingislam.com
