

**Islamic studies & Arabic**

Dear families Assalamu-alaikum,

We wrapped up our discussion in unit D about Hayaa and talked about human creation, gender relationship in Islam, and the Islamic attire.

The students took a quiz about the first 2 chapters of the unit.

Please remind your child about the **Islamic multicultural fair project**. Written instructions and rubrics were discussed and handed to the students more than 2 weeks ago. It is due on December 18 and the presentation is on December 21.

**As for Arabic Class**, we continued our activities in the unit: worked on the workbook and discussed some grammar rules related and practiced them with some examples, and started the evaluations to wrap up the unit.

Please remind your child to **practice daily for at least 30 minutes**, besides the assigned written homework.
