

Islamic studies & Arabic

Dear families Assalamu-alaikum,
During the past couple of weeks, we continued our studies in the Seerah unit and talked about the part where Khaled bin Al-Waleed (r) was a part of it, as well as Ummu-Salamah (r). We started our study about surah Al-Mumtahinah, which is related to this part of the seerah. In addition, the students took the first quiz in this quarter.

As for Upper Arabic Class, we continued with the unit our reading & discussion, we covered grammar related, took time to learn the new vocabulary words using Arabic dictionaries to search for the meaning, and discussed the vocabulary list to learn the forms and uses along with the meanings of the words.
In order for this class to be effective, please remind your child to follow instructions, turn in assignments on time, and **practice daily for at least 30 minutes.**

Arabic subject for Sr. Feryal:

Dear Parents, Assalamu Alykum, We covered the following material during the past two weeks:-

Book3: We practiced reading, writing, and explained the meanings of unit 6 and unit7, solved the work book exercises, and grammar questions.

Learned new vocabulary words like:

ثمن – يشتري – اشترى – يبيع – ملابس – دفع – نقود

Book 1: Learning lesson 5 (I ware my clothes) students practiced reading, writing this lesson and did more work book exercises. We are still working on mastering the new vocabulary words, how to spell them and how to use them in sentences. We learned the meaning of the following words and how to use them in a sentence

ينظف – تتظف – يعد – تعد – يكوي – يلبس – تلبس – يغسل – تغسل

If you have any questions or concerns please email me at alqadi@school.lansingislam.com.

Regards,
Feryal Al-Qadi

Language Arts

Assalamou alaikoum, seventh graders are continuing in the nonfiction unit and also reviewing sentence types. They are working on ways to write more complex sentences and comprehension skills. They have a major book project due on February 28th and presentations will begin March 1st

Sr. Karen

Social studies students are covering ancient Greece. We have learned about the culture and economy of this area.

Science Seventh graders have been studying about DNA lately. We have covered the genetic code, how cells make proteins and DNA structure. We also conducted a lab on how DNA information is used to identify individuals.

Mr. Sumbal

Math:

We started a new chapter and have been learning about expressions. We will be working on adding and subtracting like terms. My last day before maternity leave will be Thursday, February 8th.
