

April 27 2018

Assalaamualaikum,

This week we worked on numbers and letters. We focused mainly on solid shapes and colors while learning a new shape, "Triangular prism" and a new color, "Grey".

I am trying to go over all the lessons learned from the past while learning our final lessons of this quarter.

We continued talking about community helpers this week and some of the services we receive

from them. Our main focus was on Teachers and Firefighters this week.

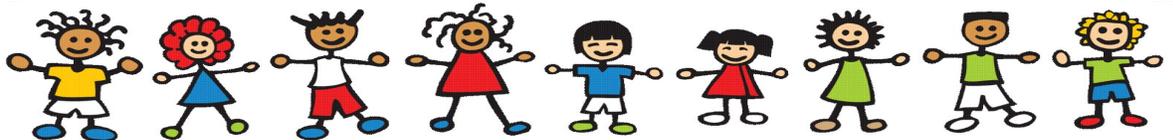

The field trip to Butterfly Garden was Alhumdulillah an exciting, fun and a learning experience for all the children. Thank you to all the parents who chaperoned. We couldn't have done without you.

Islamic Studies: This week children learned about Eid-ul-Adha and the story of Prophet Ibrahim (pbuh) and Prophet Ismail (pbuh). We watched a video on this topic too.

- Registration forms for the next year have been sent home. Please return the filled-out forms with \$125 registration fee to the office to reserve your child's spot in Pre-K.
