WINTER
BREAK

GREATER LANSING ISLAMIC SCHOOL

Early Pre-K News

Assalaamualaikum,
This week we learned about farm, sounds of the farm animals and how are they beneficial to us. It was fun seeing and feeling the things that come from the farm animals.

We sang and watched "Old MacDonald had a farm" to make this topic fun. I added farm puzzle with

animal sounds and a basket full of farm animals to one of our shelves.

This week children started painting at easel. This activity develops children's fine motor skills and strengthens their hand and fingers and help them to hold their pencil correctly.

Islamic Studies: In Islamic Studies we continued the chapter on Islam and its five pillars. This week we revised previous two pillars and learned about the third pillar of Islam, "Swam" (Fasting). We watched, "Adam's world, Zakat helps everyone".

Reminder!

- Please provide your child with warm jacket, hat and mittens for a safe and pleasant recess.
- Winter break will be from December 25th through January 5th
- Please contact me if you have any questions or concerns at any time. You can e-mail me at epk@school.lansingislam.com or call me at the school number. Thank You!

EPK Arabic and Quran newsletter

Arabic:

We continued with our daily routine “greeting, weather vocabularies, counting 1-20, days of the week, the names of the five fingers, the names of the body parts and the names of the animals and their sounds”. My students learned during the past week the colors and the shapes. Now they can pronounce in Arabic the names of colors red, green, yellow and blue and the shapes circle, triangle and star. My wonderful students still enjoying the daily story time. Thanks to Iyad for providing the class with variety of good books that me and his classmates enjoy every day.

Quran:

We started Surat Al-Masad last week and we continued to review all the verses they learned from the beginning of the year “Al-Fatiha, Al-Ikhlās, Al-Falaq, An-nas, Al-Asr and Al-Kawthar.

Last week, I tried to record my students singing to send it to you, To be aware of the songs that we sing in class, But unfortunately they were not cooperating with me. Every time they see me start recording, they stop singing 😊

Seeing your kids and being with them in class brighten my day every day. May Allah bless them all.

Have a nice weekend

Respectfully,

Sawsan Mahmoud
