GREATER LANSING ISLAMIC SCHOOL

Early Pre-K News

Asslaamualaikum,

Our classroom library is now filled up with books on fall, leaves, pumpkins and books on being safe and positive. We read a book about leaves titled, "We are going on a leaf hunt" and practiced saying names of some common leaves.

We also read and acted out the all time favorite story, " We are going on a bear hunt". Children

were introduced to color matching cards this week. Children also looked for the objects to match with the appropriate color cards. It was a pleasure watching children helping each other looking for the right colored objects.

Children continued working on number and letter books.

Islamic Studies: This week we revised the first pillar of Islam, "Shahada" and children were introduced to the second pillar of Islam, "Salah". We also sang a song to remember the steps of wudhu.

Reminder!

- Please provide your child with a warm jacket for the cold mornings.
- Please contact me if you have any questions or concerns at any time. You can e-mail me at epk@school.lansingislam.com or call me at school number. Thank You!

EPK Arabic and Quran newsletter

Assalmu alaikum,

Thank you for attending the parent teacher conference. It was a pleasure meeting with most of you and discussed your children's' academic and behavior progress. Some of you ask me to send the songs that we sing in class every day. I will definitely write the songs and the vocabularies we use in class and send it to you very soon inshaAllah.

Arabic:

In addition to our daily routine "weather related vocabularies, days of the week, counting the students, singing the five fingers song", we learned the meaning of some of the body parts "the head, shoulders, feet, hands, ears, nose, mouth and eyes". We also learned in Arabic the meaning of the activities we do every morning "I wake up, wash my hands, wash my face, comb my hair, wear my clothes, eat my food, and brush my teeth. My wonderful students are enjoying the new songs regarding the new things that they learned. I added daily Arabic story time to our routine. We read new story every week, discuss it, learn new vocabularies from it and learn a behavior lesson every week from each story "the importance of brushing our teeth, the importance of being clean and the importance of playing with friends.

Quran:

We started Surat Al- Asr two week ago and continued reading all the verses that we learned before "Al- fatiha, Al-ikhlas, Al-falaq, Al-nas and Al-asr. Please try to repeat those verses with your children at home.

Have a nice weekend

Respectfully,

Sawsan Mahmoud
