This Week's Highlights

Arabic : Oral greeting, Salam
Arabic routine: days of the week, calendar and weather. Alphabet song, and the bird song.
Students are learning to count from 1-50. Reading time: The students read a book. The students memorized Surat An-Nasr and started to memorize Surat AlKafiroon.
www.houseofquran.com

During the past two weeks we continue to read stories out loud and identify the plot and major events. The children continue to blend letters to read words! We are adding to our sight word list. Please have your children read to you and read to them as well. In social studies we talked about the difference between maps and globes. We designed our own map. We also have been comparing city life to farm life. In math we continue to play math games using adding and subtracting. We are practicing word problems.

Reminders to Parents

Thank you for coming to conferences, it was so nice to talk with all of you!! Don't forget to send back your child library books!! Our class is nut free!!! Please do not bring lunches or snacks containing nuts!!

Thank You Students! Best regards, Mrs. Christine and Sister Mirvat

Reminders to Students
