What's Happening in Pre-k???

As'salam alaikum all,
It was very nice to have met with you during parent/teacher conferences. For those that were unable to attend, feel free to get in contact with me if you feel that you have any concerns you need to discuss. I am very pleased with the progress this group of Pr-k students have made this school year. Sr. Ghasak and I see such immense improvements since the start of the school year. May Allah (swt) always bless these wonderful children and may He continue to bless them with the joy of learning. In the past few

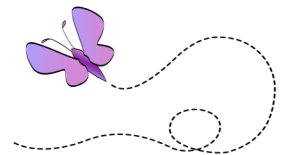

weeks of class we have been learning about rhyming words, and opposite words, We have reviewed the letters T and U. Students have also been working on sorting and graphing activities. In Arabic, students are practicing with the letters saad and daad. They are also reviewing past lessons. In science we are going to be learning about color mixing and the Butterfly life cycle. We will actually be taking a **field trip to the MSU Butterfly Pavilion on April 24th from 1:00-2:00.** We will be going with the Early Pre-k class. The cost will include bus trans-

portation and will be \$10.00 per student. If you would like to chaperone, we can have a few adults join us as long as there is room on the bus. You also have the option of following us by car. It is very close by. I will be sending home permission slips for the field trip this Monday InshAllah,
