

THE PRE-K NEWS

What's happening in the Pre-k.....

As'salam Alaikum,
During the past two weeks we concentrated on the letters K and L. We discussed words that begin with these letter sounds and we practiced writing them. We have also been working on patterning. Students learned to identify AB and ABC patterns. Learning to identify patterns is important because it prepares a child for future math activities. It helps a child learn to make predictions and discover that there is some

type of logic and order when something seems chaotic. You may want to practice identifying patterns with your child at home by looking around your child's room. We are continuing to work on cutting and gluing skills daily. In Science, students have been enjoying seeing the changes in the Amaryllis plant that we grew in class. They were very curious and enjoyed watching it as it grew and changed. Many students drew pictures of it. In Arabic

we currently are on letter Haa and students have been enjoying playing Arabic Bingo in class daily.

During the month of February we will be studying about dental health and we will be doing a unit on nutrition as students will learn about how to be healthy by eating nutritious foods, and taking care of themselves and getting enough exercise.

Quran and Islamic Studies with Sr Feryal

Assalmu Alykum,

We covered the following material during the last two weeks:

Quran: We started Surah Quraish. We are still reviewing all the Surahs we learned since the beginning of the school year.

Hadith "To Allah the dearest places are the masajed." I explained the meaning of this hadith to the kids.

Dua'a: Entering the Masjed.

Seerah: The name of Prophet Muhammad (PBUH) and his mother's name.
