

THE PRE-K NEWS

What's happening in the Pre-k.....

As'salam Alaikum,
These past 2 weeks we have worked on reviewing letters that we have learned in the past. We concentrated on letter J this past week and will be concentrating on letter K and L this week. We discussed winter words and some students who were interested constructed a booklet on Winter Words.

We continued to work on addition by adding cubes together in class. In science we are working on living and nonliving. Students have been learning about the qualities of which makes something living. They have enjoyed watching our Amaryllis flower bloom this past week. We planted it together before the break and every day the stu-

dents are making observations on how it is growing and changing. Please remember this Wednesday, January 24th, there will be no school for students. Teachers will have a professional Development day. Thank you to all that have brought in the requested supplies. Jazak Allahu Kairan.

Quran and Islamic Studies with Sr Feryal

Assalmu Alykum,

We covered the following material during the last two weeks:
